SUMMARY

Graphic and Motion Designer with 20+ years of experience creating high-quality visuals across branding, digital, social, and print platforms. Skilled in Adobe Creative Suite, motion graphics, 3D, and video production. Familiar with Figma for accessing and exporting assets. Strong collaborator with developers, copywriters, and leadership teams. Experienced in campaign storytelling, brand consistency, and multi-platform design. Dedicated to clear communication and cross-cultural outreach through volunteer English tutoring and educational support.

PROFESSIONAL EXPERIENCE

Motion Graphic Artist (Freelance) · Jellyvision · *Remote* · September–Current

Storyboard and use Figma, Illustrator, and After Effects to take a script with voiceover and brainstorm visual ideas, which are then developed into explainer videos for Jellyvision's product, MyAlexHealth

Senior Visual Designer · The Designery · *Remote* · 2024–2025

Created photorealistic 3D kitchen environments and VR walkthroughs for client proposals; enhanced renders with AI tools to accelerate turnaround while maintaining quality

Motion Graphics Designer · Tynker · *Remote* · 2021–2023

Produced 10+ YouTube ads (one with 2M+ views) and 20+ tutorials combining vector art, stock media, and voiceover; designed FIFA-themed coding lesson assets with customizable characters; collaborated with developers and marketers via Trello

Motion Graphics Designer (Contract) · Jackbox Games · *Remote* · Summer 2020

Created motion and still graphics for Party Pack 7 social media; developed looping assets for Devils and the Details and Talking Points; participated in weekly bug hunts

Senior Visual Designer / Motion Designer · Jellyvision · *Remote* · 2011–2020

Produced explainer videos and motion graphics for healthcare clients (Aetna, CVS, Blue Cross); designed and updated web experiences for brand consistency and accessibility; collaborated in agile environment using Jira/GIT; currently freelancing using Figma for accessing and exporting assets

Senior Visual Designer / Motion Designer (Contract) · 15 Letters · *Chicago, IL* · Winter 2010–2011

Created digital motion graphics, illustrations, and 3D assets for a Facebook web game; delivered high-quality visuals under tight deadlines

Lead 3D Modeler & Game Designer · Webfoot Technologies · *Lemont, IL* · 2009–2011

Lead designer on Fancy Nancy DS; UI designer on You Don't Know Jack DS and Biggest Loser DS; converted and optimized assets for Nintendo DS

Flash Animator / Game Artist · Horseland · *Wicker Park, IL* · 2006–2009

Developed Flash games and online chat room features; adapted cartoon style into game assets, animations, and UI

3D Rendering Contract · ZPD+A & Architecture Firm · *Chicago, IL* · Summer 2006

Created 3D previews and rendered visualizations for client presentations

3D Animator / Character Designer · Westcreek Studios · *Frankfort, IL* · 1999–2006

Modeled 300+ characters and animated scenes for two nationally broadcast films; designed character rigs and storyboards; developed studio's 3D modeling division

3D Animation Intern · Atomic Imaging · *Chicago, IL* · Summer 1998

Created 3D animated music video and supported marketing campaigns
